

## JUNIOR VOLUNTEER "JV" POLICIES

We welcome Volunteers ages 14 & 15 to partner with a parent and volunteer with our programs as "Junior Volunteers." Ages 16 and up can volunteer independently.

All regular and Junior Volunteers are required to complete the sign up/registration process including

1. providing information for background checks/submitting a Volunteer Application (*email [Volunteer@kinetickidstx.org](mailto:Volunteer@kinetickidstx.org) for a copy of the application*)
2. Signing up online for the program(s) of your choice (*under the Volunteer tab of our website*)
3. Attending a Volunteer Orientation prior to volunteering with Kinetic Kids (*see website or contact the Volunteer Coordinator for a list of upcoming volunteer orientations*)

The parent in the parent-volunteer pairing, will be the primary volunteer with Junior Volunteer assisting or observing initially.

Kinetic Kids will use its discretion to determine Junior Volunteer eligibility in working directly 1-on-1 with our participants.

- Junior Volunteers may not be appropriate for some programs that require intensive hands on assistance.

Junior Volunteers may also be appropriate working with our 1-day programs and/or helping with Finale celebrations at the end of the season.

- Junior volunteers would assist with event setup or clean up, serving refreshments and/or greeting.

We thank you for your interest in helping make a difference in the lives of Kinetic Kids and hope you enjoy this experience.

If you have any questions, please contact the Volunteer Coordinator at [Volunteer@kinetickidstx.org](mailto:Volunteer@kinetickidstx.org)
