GET "CONNECTED" WITH KINETIC KIDS

What is it?

KK Connections is a "specialized" group of volunteers who help our organization be the best it can be! These volunteers are often the "behind the scenes" volunteers, helping with miscellaneous needs of the organization, beyond working directly with participants at programs.

Who?

KK Connections volunteers are mostly parents & members of the community that want to provide assistance in different areas of our organization.

What will we do?

KK Connections members will have the opportunity to volunteer in a variety of areas of service as needs arise, per list below. Members may certainly help in more than one area! Please make note if you have any special talents you'd like to share with us.
