A LITTLE HISTORY LESSON...

Kinetic Kids was formed in 2001. There was only one sports team that year and just twelve kids who simply wanted a chance to play ball. Two physical therapists saw the need and Kinetic Kids was born. Fifteen years later, we offer 230 programs and serve more than 2,800 children with special needs right here in San Antonio.

WE ARE UNIQUE...

- ★ We believe ALL children, including those who might otherwise be excluded, should be able to participate in sports and recreational activities.
- ★ We provide therapists at every program to ensure the safety of our Kinetic Kids.
- ★ We serve all children with special needs, regardless of their disability.
- ★ We also turn no one away for inability to pay.

YOU CAN HELP...

We invite you to play a part in creating "star" moments for our Kinetic Kids as they participate in programs designed just for them. Our Hootenanny gala raises one-third of our annual budget, and we need your support in the form of table sponsorship or underwriting to reach even more children with special needs in 2019. Please review the attached materials, and feel free to contact us with any questions.

We look forward to your positive response and to this fun-filled evening with you,

Adriana & Carlos Martinez
